Alex,

You are correct, I checked with the team, the NASA Harvard letter was issued on last Friday.

Karla collaborated with NASA's Administrator Suite on this and followed NASA historical practice with contractor notification. [REDACTED] DPP/ACP Abhi

Minor correction:

The original list included 22 grants, one of which was already expired, bringing NASA to 21 in total.

NASA will terminate 5 out of 21 grants when we get the green light, leaving us with 16.

Thanks.
